KEGLER, BROWN, HILL & RITTER PARKING

Parking at Kegler, Brown, Hill & Ritter's Columbus office is available in the parking garage beneath the Columbus City Center shopping mall. The entrance to this garage is located at 200 South Third Street and Damian Place. Kegler Brown will validate the parking of clients who park in this garage. Additional parking is available at many other locations throughout downtown Columbus, but we are unable to validate parking from other locations.

Visitors who park in the parking garage beneath the City Center must use the Capitol Square Office Building elevator to the City Center proper.

For anyone who is physically unable to navigate the stairs of the parking garage, City Center Security offers complimentary transportation from the garage to the entrance to the Capitol Square Office Building, where our office is located. This system also works in reverse for those who need transportation from our office building back down to the garage. Again, this service is only available to those who are physically unable to navigate the stairs. The number to call to access this service is (614) 221-4919 (press option #2 for "Security and Facilities"). There is also an emergency button next to the elevator in the garage that will connect you directly to City Center Security.
