

OUR CONSTRUCTION
LAW PRACTICE IS

KEGLER
BROWN
HILL +
RITTER

HIRING
ASSOCIATES

Kegler Brown's dynamic construction law practice keeps growing and is searching for associate-level attorneys with exceptional writing skills and real world experience in construction, architecture or engineering.

OPPORTUNITY

The right candidates will have the opportunity to work closely with our clients across a wide range of construction matters, with a keen focus on creative and pragmatic problem solving.

CONFIDENTIALITY

We respect your privacy and will keep any and all contact by you in strict confidence.

CONTACT

Please reach out directly to practice chair Don Gregory with your qualifications and experience, including a resume + a description of any relevant project work.

INDUSTRY EXPERIENCE

Our attorneys have long been at the forefront of construction law and have successfully:

- + Won the recent landmark liquidated damages case in the Ohio Supreme Court
- + Served as project counsel on Ohio's largest highway, school, stadium + arena projects
- + Negotiated and drafted widely accepted trade association contract documents
- + Written + passed important Ohio construction legislation, such as the Prompt Payment Act and Fairness in Construction Contracting Act
- + Won the landmark competitive bidding case in Ohio
- + Established the Spearin doctrine in Ohio
- + Defended + prosecuted complex multi-million-dollar claims on a regular basis

OUR CONSTRUCTION PRACTICE

Our practice is one of the most highly regarded in the state of Ohio and is frequently selected to represent clients on the most high-profile projects in the region, including most recently the award-winning Scioto Greenways Project and the new Ohio Veterans Memorial and Museum project in downtown Columbus. Our attorneys also serve as general counsel for numerous international construction trade associations, including the American Subcontractors Association (ASA), the Association of the Wall and Ceiling Industry (AWCI), the National Ground Water Association (NGWA), and the Steel Framing Industry Association (SFIA). This experience has placed our attorneys on the cutting edge of industry developments.
