

Antitrust Counseling

The attorneys in our antitrust practice counsel clients regarding all of the legal aspects involved with business combination and competition issues on both the state and federal levels. These engagements may involve mergers, acquisitions, distribution and supplier agreements, non-competition agreements and other issues that trigger antitrust concerns.

Our practice is led by attorneys Ralph Breitfeller and Robert Cohen. Breitfeller is a former assistant chief of the Ohio Attorney General's Office Antitrust Section and was honored by U.S News & World Report as the 2013 "Lawyer of the Year" for antitrust counsel in Columbus. Cohen, chair of the firm's litigation department, was recently selected by the same publication as "Lawyer of the Year" for antitrust litigation in Columbus and also contributed to the creation of the Ohio State Bar Association's Valentine Act monograph, regarding Ohio's antitrust law.
