Industry Experience

Our attorneys have long been at the forefront of construction law developments and have successfully:

- + Served as project counsel on Ohio's largest highway, school, stadium and arena projects
- + Negotiated and drafted widely accepted trade association contract documents
- + Written and passed important Ohio construction legislation, such as the Prompt Payment Act and Fairness in Construction Contracting Act
- + Won the landmark competitive bidding case in Ohio
- + Established the Spearin doctrine in Ohio
- + Defended and prosecuted complex multi-million-dollar claims in all venues on a regular basis

Serving the Construction Industry

Our attorneys serve as general counsel for numerous international construction trade associations, including the American Subcontractors Association (ASA), the Association of the Wall and Ceiling Industry (AWCI), the National Ground Water Association (NGWA), and the Steel Framing Industry Association (SFIA). This experience has provided unparalleled insight and has placed our attorneys on the cutting edge of industry developments.
