

Mergers, Acquisitions + Divestitures

Kegler Brown's mergers and acquisitions practice area regularly represents clients, both public and private, in the purchase and sale of businesses. We cover a wide range of transactions, with a primary focus on serving the middle market. Our attorneys lead multi-disciplinary teams capable of handling all aspects of complex domestic and cross-border transactions.

Many of the attorneys in our M+A practice have earned industry-wide recognition for responsive client service. We have been noted for excellence in the practice of law by all major research-based and peer review rating services in various local and national publications. Most recently, Kegler Brown was recognized as a "Tier 1" M+A firm in Columbus by *Best Lawyers* and *U.S. News* in their annual *Best Law Firms* publication. Practice co-chair Todd M. Kegler was also honored as the *Best Lawyers* 2017 "Lawyer of the Year" in Columbus for M+A transactions. Co-chair Eric D. Duffee is described as a "top rated M+A attorney in Columbus" by Super Lawyers and was selected as one of their 2018 Rising Stars.

Our Clients

We advise public and private clients worldwide that are engaged in middle-market transactions, providing best-in-class advisory services and flawless execution at affordable rates. We primarily serve privately held businesses and their owners in growth acquisitions and exit transactions, and publicly traded companies focused on middle-market transactions as part of their corporate growth strategies. We work with:

- + **Publicly traded companies:** corporate growth acquisitions; business unit and division dispositions
- + **Privately held companies:** sale transactions (of the entire business and business unit dispositions); strategic growth acquisitions; working closely with other legal services within the firm as outside general counsel
- + **Entrepreneurs:** all aspects of organizing, growing, and exiting their business; advice on income tax and estate tax planning
- + **Private equity firms:** portfolio company acquisitions and dispositions
- + **Private investors:** equity investments, debt investments, and the sale and purchase of both

Our M+A transaction history is highlighted by representation of these notable companies:
