Joining Kegler Brown in 2015, Jenna is responsible for all employee benefits, recruiting and retention, payroll administration, wellness and safety programs, employee recognition programs, and training. Jenna has more than 6 years of law firm experience, in areas including administration and management. As State of Ohio Collections Supervisor she managed the top grossing collections client. Devising policies for efficiency and federal compliance she was appointed project manager for the department.

She graduated from Ohio University with a Bachelor of Science in Journalism and a concentration in public relations. Jenna also earned her Master's in Business Administration with a major in executive management from Ohio University.

Active in several professional organizations, Jenna maintains memberships in the Human Resources Association of Central Ohio and the Columbus Chapter of the Association of Legal Administrators.
