Business

Molly provides counsel to businesses and entrepreneurs during every stage of the business life cycle, from entity formation to succession planning. Mergers + Acquisitions

Molly represents business owners in a variety of acquisition transactions, as part of both growth and exit strategies, including mergers, asset purchases, sales of businesses, divestitures, and reorganizations.

Franchising

Molly also focuses on franchise issues, working closely with small business owners to open or expand existing franchise portfolios, navigating the complex regulatory framework for current or potential franchisors, and mediating the sensitive franchisee–franchisor relationships.

Molly leads the firm's Diversity, Equity + Inclusion efforts, with the mission of creating an environment that reflects the diversity of culture, thought, and background of the community in which we work and live. Kegler Brown strives to foster an inclusive culture where every person is empowered to freely share their ideas, experiences, and beliefs, and to make the firm a place where every member has a deep sense of pride, passion, and belonging.
