Andrew serves as a trusted advisor, creating additional value for clients by helping manage their risk of liability throughout the business lifecycle. A combat veteran, Andrew approaches problems with a combination of creativity and attention-to-detail that enables his clients to make business decisions with confidence.

Real Estate Finance + Development

Andrew advises clients in all manners of real estate transactions, including acquisition and disposition, financing, development, leasing, and management of commercial, hotel, multifamily, and mixed-used properties. He also advises investors, developers, and entrepreneurs in qualified opportunity zone development and qualified opportunity fund financing. Andrew's experience includes joint venture structuring; debt and private equity capitalization; and advising on tax, title, and other real property issues.

Corporate Finance

Andrew advises clients on corporate structuring, start-up and growth financing, and contracts. He provides counsel to entrepreneurs, investors, fund managers, and lenders, leading a collaborative approach to optimize client outcomes. Andrew's experience includes business entity structuring; public and private securities; and structuring debt and mezzanine financing instruments.
